

# EnviroArt

transforming spaces  
with delicious designs  
and natural notions

## be inspired...

We aim to learn through:

having fun and being creative

using natural, recycled or edible objects

exploring colour, shape and texture

We can help you to:

transform public spaces

create stimulating environments

involve all ages and abilities

Contact us on 024 7767 4033 or 07775 767 663  
to discuss your projects or requirements

The images in this leaflet were created and produced by 2fish  
working with various schools and community groups some in collaboration with Dot to Dot Arts  
supported by Portsmouth City Council's Health Improvement and Development Service

2fish • Ebenezer House • 16 Osbaston Close • Eastern Green • Coventry • West Midlands • CV5 7NN

Your project could start with inclusive **workshops** experimenting with **pattern making** which can be simple or elaborate depending upon participants.

These patterns are **photographed** and turned into **individual** works of art uniquely tailored to your theme, curriculum topic, colour scheme and **budget**.

create

inspire  
others

We work with a range of **ages** and **abilities**, helping **enable** them to **transform** environments.

**Together** we **create** impressive **wall pieces**, **friezes** and **banners** or we can turn their **artwork** into **mugs**, **bookmarks**, **cards** or **t-shirts**
